[Read Customer Reviews](#)

65% Polyester, 35% Synthetic

PERFECT DESIGN. Our tactical pants made with a wrinkle-resistant twill fabric blend for enhanced durability. Work pant features widened belt loops, hook and loop closure with heavy-duty zipper.

Adjustable knee and leg opening with hook & loop

MULTI-PURPOSE POCKETS. The ripstop cargo pants features 10 Pockets totally include 2x Large front slash pockets for easy access; 2x Thigh flap pockets with hook & loop for quick storage of tactical equipment, tools or cell phone; 2x Leg flap pockets for more convenient to get items when squatting or crawling; 4x Flap rear pockets for deep and secure storage

FEATURES. Camouflage design, tactical pants. Ripstop fabric repels liquids, dirt, and other contaminants. Fade, shrink, wrinkle resistant, scratch-resistant and wear-resistant. Lightweight and breathable, rip-stop and abrasion resistant for all kinds of outdoor sports

RIPSTOP FABRIC. Moisture wicking fabric can wick sweat from body, quick dry, keep you dry and comfortable when army training. Ripstop fabric provides excellent durability and cool comfort. Durable in extreme harsh environments. Repels water, oil, and dustproof. Breathe freely and quick-drying. It keeps you dry in outdoor activities without any sense of restraint on your legs

OCCASION. Our waterproof quick-drying hiking pants are suitable for any outdoor activities, training, off duty exercises or daily wear, outdoor hiking, camping, climbing, cycling, fishing, hunting, jungle, running, mountaineering, combat, military, backpacking, working, traveling and so on
Men's Water Repellent Ripstop Work Pants Operator Tactical Pant Hiking Outdoor Cargo Pants

Question 1: How breathable are these pants? Answer 1: My experience has been that these pants breathe very well and I felt they breathed a little too good then.

Question 2: When i go camping/hiking, i go up in the mountains/the outback/rough terrain, i need tough/durable! Will these pants work? Answer 2: Yes these are rip resistant and stretch. Great option for hiking. The military pants are very comfortable.

Question 3: Do they shrink? Answer 3: No they didn't shrink i keep washing them and wearing them still perfect. Also they are my favorite pants they're so comfortable.

Question 4: Do these pants pull down in back when you bend down, do they give you plumber pants? Question 4: These are THE BEST designed pants I have ever worn. I have no need nor interest in jeans after wearing these daily for several months. The new flexible fabric is amazing: Comfort, style, function. I hope you enjoy them as much as I have. I'm not a paid influencer, just a very satisfied customer.

Operator Tactical Pant

Multipurpose: Tactical pants are useful for those in service duty, such as police officers, law enforcement, EMS, firefighters, soldiers, military, security and also for work, training, hiking, hunting, mountaineering and other outdoor activities.
