[LONG-LASTING ENTERTAINMENT] - Pritom 10 inch tablet features android 9.0 OS, you can download thousands of apps, such as, Netflix, Skype, YouTube and more popular apps. The 5000mAh lithium polymer battery and low-power CPU enhance your experience and allow you to enjoy up to 8 hours of mixed reading, watching TV shows, surfing the web, playing light games and more. It is a really good companion for your leisure and entertainment.

[Dual Cameras and Speakers] - With Front 2.0 MP & Rear 8.0 MP dual cameras, which would bring your photos and videos to life. Pritom Tronpad M10 tablet rivals most of the 10 inch tablet and it is convenient for taking photos, capturing and sharing those special moments with your friends and family. Compared to most of 10 inch tablets, Pritom tablet equipped with dual speakers, which bring more powerful audio and let you immerse in the world of sound.

[BRILLIANT IPS DISPLAY] - Pritom 10 inch tablet PC adopts a 1280 x 800 brilliant HD IPS display. This android tablet has a sharper hierarchy of images and richer colors, and provides shocking performance of visual experience. With the Eye Health mode, an extra feature filters out blue light to relieve visual fatigue, and optimizes the backlight for a more comfortable reading experience. This tablet is suitable for the 10-inch case of this brand. Recommend to purchase.
