Water resistant up to 50m: Wearable while swimming in shallow water

ABOUT ARMANI EXCHANGE
IN 1991 I HAD AN INTUITION, AND I CALLED IT AX. LOOKING AT THE REALITY OF THE STREET, BEFORE IT BECAME JUST ANOTHER VOGUE, I CREATED FAST, AFFORDABLE METROPOLITAN CLOTHING FOR THE YOUNG GENERATIONS OR THOSE WITH A YOUNG MINDSET. THE SPIRIT PERSISTS TODAY IN APPAREL AND ACCESSORIES
ABOUT THE MOVEMENT

Three-hand Quartz: This electronic movement features a quartz crystal that oscillates when a current is applied to it.

Multifunction: Movement built into three separate sub eyes for the day of the week, date of the month, & 24-hour time

Chronograph: A multifunction watch with stopwatch functionality
QUALITY MATERIALS

Our high-quality leather is known for its softness and ability to look good over time. Stainless steel bracelets are extremely durable & can last the lifetime of a watch with proper care. Silicone straps are waterproof & very comfortable. Acetate watches are extremely durable and lightweight.

SPRING 2021 COLLECTION

Armani Exchange's latest watches define a new dress code in vibrant ready-to-wear-inspired colorways and fresh silhouettes with urban wear influences.

WATER RESISTANT

3ATM: withstands splashes or brief immersion in water but not swimming or bathing

5 ATM: wearable around household sinks or while swimming in shallow water

10 ATM: suitable for bathing, swimming, or snorkeling, but not scuba diving"
