**THE PERFECT HEIGHT:** Forget about brooms that are too short and inconvenient! This lobby broom is extra-tall at 50 inches so you will never have to bend down ever again! The long broomstick will also allow you to reach every corner and spot, even under the couch, so you can keep your space spotless!

**CONVENIENT DUSTPAN:** This amazing dustpan was designed for your convenience so you can have perfect results with no hassle! The dust pan has a rubber lip on the edge so that all the dust and dirt will be swept right in the dustpan instead of under it. It also has built-in teeth so you can comb the broom bristles and keep them clean from debris and excessive dirt.

**SPACE SAVING DESIGN:** The smart design of the broom and dustpan set makes it perfect for small storing closets as it is very compact for maximum space saving. The broom can snap on the dustpan for upright storage and it is also foldable so it can be easier to store and to move.

**PREMIUM QUALITY:** The broom and dust pan are crafted with special care and the best quality materials so you can enjoy unique durability. The steel handle is ultra-strong so it can stay in top condition for years to come no matter what and the dustpan is made with sturdy ABS plastic for flawless results.

**LIFETIME GUARANTEE:** BestPrices is a USA based business that will make sure your satisfaction comes first. We strive to provide you with the best quality products and service. So if for any reason you are not completely satisfied with the Broom and Dustpan set, please contact us so we can ensure 100% satisfaction.
