**OMNI-SHADE:** Be safe and protected. Omni-Shade blocks UVA and UVB rays to help prevent sunburns and long-term skin damage. The tight weave construction with UV absorbent yarns block the full spectrum of harmful UV rays.

**OMNI-WICK:** The ultimate moisture management technology for the outdoors. Omni-Wick quickly moves moisture from the skin into the fabric where it spreads across the surface to quickly evaporate—keeping you cool and your clothing dry.

**PERFORMANCE FEATURES:** Two self-draining pockets and a rod holder keep the essentials at the ready, while freeing up hands to secure your next lure.

**BUTTON DOWN STYLE:** When you're out over the water staying cool and dry is paramount. An adjustable button up with vented back add breathable comfort in this angler inspired short sleeve.
