See consistent, vibrant colors across a wide viewing angle enabled by In plane switching (IPS) Technology. Power Consumption (On mode):26 W

3 year Warranty

60 hertz Outstanding Visuals

Impeccable details: See details in striking clarity. With QHD (2560x1440) resolution, youâ€™™ get 1.77 times more details than Full HD.

Color consistency comes standard: Your UltraSharp monitor is factory calibrated at 99% sRGB coverage to an accuracy of Delta-E less than 2, for precise hues right out of the box. Plus with 99% Rec709 and 85% DCI-P3 color space coverage, youâ€™™ see true-to-life colors in video formats.

Always the best view: See consistent, vibrant colors across a wide viewing angle enabled by In-Plane Switching (IPS) technology.

Innovative Design

More room to work: With a stylishly thin panel profile (only 6.5mm at its thinnest) and a compact base thatâ€™™s approximately 29% smaller than its predecessor¹, you can free up valuable desk space.

Adjust to your comfort: Pivot, tilt, swivel and adjust the height of your monitor for a comfortable setup all day long. Our improved design, with the hinge on the riser, makes adjustments easier.

Clean and clutter-free: Focus on your work while hiding away cable clutter with an improved cable management design.

Easy on the eyes: This TÃœV Certified monitor has a flicker-free screen with ComfortView, a feature that reduces harmful blue light emissions. Itâ€™™s designed to optimize eye comfort even over an extended period of time.

Maximize Productivity

Expand your efficiency: The virtually borderless design featuring InfinityEdge lets you enjoy a nearly seamless view of your content across multiple monitors. And, with dual monitors, you can increase your productivity by up to 18%³.

More ways to multitask: Easily organize multiple applications using predefined templates or a customized template with the Easy Arrange feature on Dell Display Manager software. Plus, you can conveniently tile your applications across a multi-monitor setup.

Get right to work: With Auto-restore on Dell Display Manager, you can disconnect, reconnect and all of your applications will be in the same position where you left off.
