

# FosPower Emergency Solar Hand Crank Portable Radio, NOAA Weather Radio for Household and Outdoor Emergency with AM/FM, LED Flashlight, Reading Lamp, 2000mAh Power Bank USB Charger and SOS Alarm Review-2021

[Read Customer Reviews](#)

[2000MAH POWER BANK WILL KEEP DEVICES POWERED] The FosPower FOSPWB-2376 emergency radio incorporates a 2000mAh power bank capable of providing emergency power to any small tablet or phone.

[3 POWER SOURCES POWER WHEN YOU NEED IT] Use the emergency weather radio's 3 power sources when you need a boost of power or need to recharge the radio. The radio's crank lever and solar panel are both capable of regenerating enough power to keep the radio, lights, and SOS alarm ready to go when you need it most. AAA Batteries ensure you have power when not able to regenerate power.

[2 LIGHT SOURCES ALWAYS POWERED] The emergency crank radio can also provide light. The 4 LED reading light and 1W flashlight provides enough output to keep you and your loved ones out of the dark in an emergency situation.

[NOAA EMERGENCY WEATHER BROADCAST ACCESS] The radio will dependably receive up to the second emergency weather forecasts and emergency news broadcasts from NOAA and AM/FM stations.

[LIMITED LIFETIME WARRANTY] Includes a Limited Lifetime Warranty. Please visit FosPower's website for more information. Enhance your Emergency Preparedness with FosPower's Solar Crank Emergency Weather Radio

The weather radio provides you with tools to use in emergency and non-emergency environments. The radio comes integrated with a 1W LED flashlight with zoom, an SOS alarm, 2000mAh power bank, 2 LED lights, radio broadcasts access, and 3 power options to provide emergency power.

Integrated Power Bank Keeps Your Devices Powered in an Emergency

A 2000mAh power bank provides enough emergency power to any mobile device in emergency situations. Works with most USB powered devices.

Package Includes

1x Solar Emergency Weather Radio 1x Carabiner 1x User Manual

3 Power Sources

The solar crank emergency radio's AAA batteries, a solar panel, and a crank lever provide full battery power. The solar panel and crank are regenerative, ensuring you have power whenever you need it.

2 LED Lights Sources

FosPower's emergency weather radio provides you with 2 light sources: a 4 LED reading light and a 1W LED flashlight capable of lighting any emergency situation.
