

# HTVRONT HTV Vinyl Rolls Heat Transfer Vinyl - 12" x 8ft White HTV Vinyl for Shirts, Iron on Vinyl for Cricut & Cameo - Easy to Cut & Weed for Heat Vinyl Design (White) Review-2021

[Read Customer Reviews](#)

**EASY TO CUT & WEED & TRANSFER** Our premium quality heat transfer vinyl will save your time which you may waste on each image or letter, because you can cut and weed easily through the designs just right. The iron on vinyl is sensitive to temperature and pressure, which can be heat transferred on any t-shirt easily.

**GREAT STICKINESS** Our htv vinyl rolls is pretty sticky, they adhere to the fabric seamlessly and has held up well in the wash without fading, peeling and crack. Your designs of our white heat transfer vinyl will keep the same color and can't come off even after repeated washing cycles.

**USE WIDELY & ECO FRIENDLY** Your shirt, tote bags, sportswear, aprons, hat and pillow, which used our white htv, make you stand out from the crowd. Heat transfer vinyl are suitable for athletic mesh fabrics, Cotton, polyester and cotton blend, lycra/spandex, textiles etc. Our htv vinyl materials are SGS certified eco-friendly and are safe to wear.

**12 inches x 8 Feet HTVRONT htv vinyl rolls** are easy and convenient to cut into different size of art designs or logos or letters and perfect for 12x12" and 12x24" cutting mats. Our iron on vinyl are compatible for all cutter machines.

**PERSONALIZE GIFT & CUSTOM MADE** Good choice for Christmas, Halloween and anniversaries gift to your family or lover. I mean, who doesn't love a fun new t-shirt? And with our heat transfer vinyl, you can easily customize it to be something personal that they will love. If you are not 100% satisfied with our white htv vinyl, please feel free to contact us. More Colors HTV Vinyl Rolls, Meet Your More Need.

Our story

How we got our start?

From the beginning, we just wanted to provide crafters with affordable and high-quality materials. But we gradually discovered that we could do more: to help people lead creative lives by providing tools and ideas. HTVRONT users will continue to be fascinated by the personalized things they make.

What makes our product unique?

We love to make crafts by hand. We are always picky about the quality. While focusing on quality, we also keep the cost to a minimum, we pay attention to the feedback of every customer, so we never stop to improve quality and create more new products. Because of love, we are more professional.

Why we love what we do?

We commits to delivering the creative handicraft culture, which comes from our love to handicraft in our company. We have been providing practical and quality-assured craft tool to the world. We remain consistent in making our customers satisfied with what we do. Life is beautiful, we can be better!
