

Irish Setter Men's Wingshooter Steel Toe 8" Work Boot Review-2021

[Read Customer Reviews](#)

100% Leather

Imported

Rubber sole

Shaft measures approximately 8.75" from arch

Platform measures approximately .05 inches

UltraDry Waterproof

Electrical HazardUltraDry

Irish Setter UltraDry construction combines a moisture management lining with waterproof components for dry, long-lasting comfort and performance.

Safety Toe

Heavy falling or dropped objects and vehicles in motion are work hazards. In many cases, employers require protective footwear; in other cases, it just makes good sense. Red Wing's safety toe footwear meets ASTM F2413-11, I/75C/75 standards for impact and compression.

Heat-Resistant Outsole (HRO)

Irish Setter has developed outsoles that have been designed and tested to perform on high heat surfaces. Soles identified as HRO are heat resistant to melting at a minimum of 475 degrees Fahrenheit.
