Bucket Booster
Makes Car Travel Fun & Easy

What dog does not love to go on a road trip? The K&H Bucket Booster, a pet car seat, provides a safe and restrained location for your pet to ride, all the while elevating them for an easier view out the window.

The K&H Bucket Booster has a durable 600-denier fabric exterior, and plush quilted fleece interior for your pets comfort. Designed to fit in either the front or back seat of your vehicle, the contoured back ensures a snug fit inside of your vehicle. The Bucket Booster securely buckles in and your seat belt is hidden under the removable cushion. It is extremely easy and quick to install and uninstall. The front dips down so you pet can easily get in and out, and has a firm foam bolster around the edge.

Multiple Sizes and Colors

Available in two sizes and color combinations to best accommodate your vehicle's interior. The small is recommended for small pets and the large can fit up to two small pets or one medium sized breed. Both sizes include two fully adjustable security leashes that can latch to your pets harness to ensure they remain safely seated in the booster on your trip.
