

Kizen Instant Read Meat Thermometer - Best Waterproof Ultra Fast Thermometer with Backlight & Calibration. Kizen Digital Food Thermometer for Kitchen, Outdoor Cooking, BBQ, and Grill! (Red Midnight) Review-2021

[Read Customer Reviews](#)

ULTRA FAST - Takes a temperature in a little as 2-3 seconds, and is accurate to +/-1 degrees with a wide range of -58-572. No more waiting over a hot stove or grill for the temperature to settle! Take out the guesswork and eliminate overdone or undercooked food, and instead make perfectly cooked beef, chicken, pork, fish, lamb, or turkey, every time! Also works great with beverages, deep frying, making candy, and baking.

WATERPROOF - IP67 rated waterproof, the Kizen thermometer can be washed under running water without fear! With a strong ABS plastic body, it can withstand accidental drops or other impact accidents. With a waterproof and strong break resistant body, the Kizen thermometer is highly durable and resilient.

CONVENIENT AND CLEAR - Get the temperature by the bright and large LCD screen instead of fumbling with your phone flash to get a read! With an internal magnet and large hang hole, you can conveniently store this where you can have easy and quick access!

FULLY BUNDLED TO GIVE YOU THE MOST VALUE FOR YOUR MONEY! - Comes beautifully packaged in a premium foam lined box, making it an ideal present for any cooking or bbq enthusiast! This sturdy box is also a great place to store the thermometer to keep it safe. Also includes 2 CR 2032 batteries, eCookbook, meat temperature guide, users manual, and 4 hook/loops to hang your temperature guide on the wall for added convenience!

SAFE USE & WARRANTY - We stand by our products so you can make your purchase with confidence. Our products are rigorously tested and made with love because we believe that you deserve the best. Please feel free to contact us via Amazon directly if you have any questions or need any help.

Cook Like a Pro Using Kizen's Advanced Instant Read Thermometer
Tired of overcooking or undercooking your meats and food or waiting for your outdated thermometer to finally get a reading? That frustration can be no more with the Kizen ultra quick and accurate thermometer!

Featuring a Ultra Fast Premium Probe - Capable of taking temperatures in as little as 2 seconds with an accuracy of +/-1, cook your meats, baked bread, deep fried foods, candy, soups, and beverages perfectly every time!

The instant read temperature probe by itself would make a great buy, but the Kizen thermometer goes even further with several unique and innovative features that sets it apart.

Waterproof Body - Do you frequently get your thermometer dirty and want a quick and easy way to wash it without fear? No worries, you can wash this Kizen thermometer under running water just like any of your dishes!

Bright LCD Light - Do you just need a little visual assistance for the read? Don't bother fumbling with your phone, the LCD backlight has you covered.
Easy Storage Design - Enjoy all the benefits of a long temperature probe without all the storage hassles. The Kizen thermometer can fully retract, making for easy & safe storage. The thermometer also has a internal magnet and large hang hole so that it can be stored up on the refrigerator or hanged up on kitchen hooks.

Auto-OFF - Featuring a convenient battery saving auto-off when probe is retracted or after 10 minutes have passed without activity

Calibration - Comes expertly pre-calibrated, but can re-calibrated anytime to assure only the most accurate reads!
