

**MAM Air Pacifiers (2 Pack, 1 Sterilizing Pacifier Case), MAM Sensitive Skin Pacifier 6+ Months, Best Pacifier for Breastfed Babies, Baby Pacifiers, Baby Boy Review-2021**

[Read Customer Reviews](#)

**SENSITIVE SKIN** – The large open air holes on these MAM pacifiers allows for plenty of breathing room for babies with sensitive skin and even lets you peek at your baby's smile!

**SYMMETRICAL SHAPE** – Worrying about turning baby's pacifier over and over for the right fit is a thing of the past with a binky from MAM. Always right-side up and fuss free.

**SILICONE NIPPLE** – The BPA-free silicone nipple is a signature MAM pacifier design, with silky SkinSoft material and a symmetrical shape that's ideal for jaw and teeth development.

**STERILIZING STORAGE CASE** – Add water and pop into the microwave to sterilize MAM pacifiers in just 3 minutes. No separate sterilizer means fewer baby items to take on the go!

**PRODUCT DETAILS** – MAM for Sensitive Skin 6+ Pacifier, Air Collection, 2-Pack Plus Sterilizing Pacifier Holder Parenting is hard. We make stuff to make it easier.

MAM knows that being a parent is not always easy, so we make products that are smart and simple to use. For over 40 years we've been obsessed with making innovative pacifiers, bottles, cups, teethingers, and toothbrushes, providing babies with optimal care at all stages.

MAM Air Orthodontic Pacifier

2 Air Pacifiers with Sterilizing Case

MAM's BPA/BPS-free Air Pacifiers have been developed by leading pediatric dentists and developmental psychologists to provide maximum comfort and style for babies ages 6+ months\*.

MAM's cutting-edge pacifiers combine technological innovation and trendsetting design to help give babies a healthy start in life.

\*Developed in conjunction with the International Children's Medical Research Society

SkinSoft silicone nipple feels soft and familiar like mom

Anti-slip texture helps nipple stay comfortably in baby's mouth

Curved shield allows the pacifier to sit comfortably on baby's face

Extra large shield openings allow air to circulate and baby's skin to breathe

Extra large air holes in shield allow baby's skin to breathe

Symmetrical nipple promotes healthy oral development by reducing pressure on incoming teeth

SkinSoft silicone nipple offers a familiar feel

Self-sterilizing case sterilizes pacifiers in the microwave in just 3 minutes
