

Medela Nursing Pads, Disposable Breast Pad, Pack of 60 Review-2021

[Read Customer Reviews](#)

Medela is the #1 Physician Recommended Nursing Pad Product in the U.S*

SUPER ABSORBENT: Made from ultra-absorbent materials that prevent unexpected leakage and promote dryness, our disposable nursing pads are designed for superior protection “ day or night

COMFORTABLE: Our breastfeeding pads feature an additional soft layer to keep moisture away from the breast while remaining gentle against the skin

DISCREET AND SECURE: Double adhesive tape ensures disposable nursing pads stay firmly in place and are discreet beneath undergarments and clothing for the subtlety and confidence that breast milk feeding moms deserve

CONVENIENT AND PORTABLE: Available in packs of 30, 60, or 120, each of the breastfeeding pads are individually wrapped within their box for hygiene and easy portability “ carry as many as you need throughout the day or evening in your purse, backpack, or breast pump and accessories bag

Why Medela?

Breastfeeding. ..the Very Heart of Our Business

Medela’s primary focus is breastfeeding. ..by helping moms to successfully breastfeed their babies and to do so for as long as they choose. Meeting this goal responsibly is at the heart of everything we do.
