**MADE OF HEAVYWEIGHT DURABLE STAINLESS STEEL:** Durable, long lasting stainless steel bowl offers a healthy alternative to plastic that is easy to clean

**PATENTED SKID-PROOF BOTTOM:** The OurPets DuraPet Slow Feed Bowl is a top-of-the-line design at an affordable price. To prevent skidding, we added a permanent silicone bonded ring to the bottom. This design prevents sliding and tipping during feeding time

**DESIGN HELPS PREVENT WHISKER FATIGUE:** The low, shallow design helps prevent whisker fatigue, a stressful & painful condition when your cat's sensitive whiskers brush up against the side of its feeding or water bowl.

**DISHWASHER SAFE:** Dishwasher-safe for easy cleaning. Rust resistant, hygienic and doesn't hold odors

**AVAILABLE IN FOUR SIZES BASED ON THE AMOUNT OF DRY FOOD BOWL CAN STORE:** 0.75 Cups, 1 Cup, 1.25 Cups and 2 Cups Review 2021, feedback 2021, promo code, discount code 2021, buy, picture, description, sale, price comparison, cheap, cheapest, value for money.
