

Retro Fighters Brawler64 Wireless Edition N64 Controller - Nintendo 64 - Gray Review-2021

[Read Customer Reviews](#)

Compatible with Nintendo 64

2.4 GHz wireless technology

Compatible with memory Paks

Ergonomic and comfortable design

Ultra-fast turbo function

2.4 Ghz Wireless Technology

With its™s 2.4Ghz wireless technology, and updated features and design, the Brawler64 Wireless Edition is the retro gaming controller you™ve always wanted.

Next-Gen Design

No more tangled wires. No more wrapping the cord around your controller. Cut the cord and experience true range of motion.

Ergonomic Comfort

The Brawler64 Wireless Edition still has the same great shape and ergonomic design you know and love. Aside from the technological advancements, we™ve made some subtle changes to improve your gameplay. After much feedback from the retro gaming community, we™ve upgraded the feel of the triggers to have a more "digital" press versus an "analog" pull.

Beauty in the details

The Brawler64 Wireless Edition, along with wireless dongles, have been meticulously designed to match the gray and transparent colors of the Nintendo 64 console.

Retro Fighters Team

Gamers

We are gamers too! We grew up playing all kinds of retro games and systems. We build things we want to use and play.

We are Retro Fighters, fighting for retro!
