

**RONXS Butane Torch Lighter, Adjustable Double Flame Windproof Refillable Butane Lighter with Continuous Flame (Butane Gas Not Included) Review-2021**

[Read Customer Reviews](#)

Double Flame Design - RONXS torch features a double flame function, which can enlarge the heating area and improve the heating effect. You could adjust double or single fire as needed without affecting the flame level.

Flame Adjustment - Our Butane torch features an adjustable high output flame. The high intensity flame is suitable for torching steak proly, barbecue, etc. The medium intensity does the great job for dessert, such as creme brulee. Having the fire set at low tends is good for lighting candles and fireworks.

Continuous Flame Mode - Culinary torch has a flame lock-on for continuous hands-free operation. Press the button to ignite and lock the flame lock-on at same time then it will keep flame burning. Please keep the button "OFF" when not using it.

Safe & Durable Brulee Torch - Adopted with heat resistant material(Ceramic+Zinc Alloy+ABS) so as to ensure long-lasting use; Ergonomic design provides comfort to your hand and protects your fingers from being burned. When not in use, please adjust the flame level to the minimum.

Multipurpose & Convenient Portability - RONXS mini torch is light and easy to carry (L: 3.34 inch, H: 5.1inch), suitable for indoor and outdoor activities like searing a steak, roasting bell peppers, cremes brulee, and barbecue, grill, igniting fireplace, bonfire, art and craft applications.
