1-year limited warranty

Sturdy Platform

The Rubbermaid 2-Step Molded Plastic Stool features a large standing platform and cutout handles to provide easy portability.

Small Enough to Store, Big Enough to Use

The RM-P2 measures 16.13-inches (L) by 18.625-inches (H) by 18.25-inches (W) with a highest standing height of 16.125-inches and weighs approximately 5.6-pounds.

Safe for Your Floor

This stool features non-marring feet that won't harm your floor. You can use this stool anywhere in your home without a worry.

Non-Slip Grip

The Rubbermaid 2-Step Molded Plastic Stool is made with your safety in mind. Whether you use this stool for everyday household chores or for a little help getting on your horse, the non-slip grip will keep you from worrying when you are trying to reach items up high. Wobbling back and forth will not be an issue with this 2-step stool, making it perfect for children or elderly.
