Strong adhesive for a secure hold

Protective film for easy mounting

Attach one MagicPlate to a mobile holder

**SCOSCHE MAGRKI MagicMount Magnetic Mount Replacement Plate Kit, Black**

**For Mobile Holders**

The MagicMount replacement kit is designed to be used as replacements or additional plates for smartphones and other multiple devices. These compatible plates are great for use with MagicMount car cell phone holders and pro systems. Directly install plates to your device, on a rugged case or behind the battery cover. Large plate mounts are designed for larger devices and ensure a secure hold with a holder while small thin plates are perfect for small devices and tight spaces.

**Features:**

**Versatile MagicPlates**

MagicPlates work with any device and can be used as replacement plates for a strong secure grip.

**Compatible with MagicMounts**

The MagicPlates can easily be used with all MagicMount cell phone holders and MagicMount Pro systems.

**Multiple Mounting Options**

Easily attach MagicPlate directly to a device, outside on a rugged phone case or place inside between the device and case.

**About SCOSCHE Industries**

Founded in 1980, SCOSCHE was born from, and runs on our passion for cool vehicles, amazing sounds, the great outdoors, travel, motor sports, horsepower and voltage. We're a company of gear-heads, drivers, surfers, racers, riders, tech buffs, tech users, innovators, and relentless pursuers of perfection. We never get stuck in the past or in the mud.
