Mens Tactical Hiking Pants Durable Lightweight Waterproof Military Army Cargo Fishing Travel Pants

Question 1: Are they loud when you walk? Answer 1: Purchased these for my husband. He says that they are not loud. I find them very well made as well. Have given as gift to male relatives in Europe who hike, and they adore these pants. Question 2: Are these really windproof? If I ride a motorcycle, the wind won't go through the pants? Answer 2: Really good pants work ok, they are stretchy so comfortable too. Question 3: Do these pants have back pockets? Answer 3: Yes. the tactical pants own 4 velcro closure rear pockets. Question 4: Do these pants shrink after being laundered? Answer 4: I have several pairs of these hiking pants and have noticed no shrinking at all.
