High Brightness

300 WARM WHITE LED lights, widespread lighting source, provide powerful light, and create romantic life for you.

Waterproof

The curtain light is waterproof and designed to withstand light rain, perfect for outdoor indoor decoration.

Waterproof level is IP44, but the mode controller is non-waterproof, please keep it away from water.

Twinkle Star 300LED Warm White Curtain String Lights create romantic life for you.

Specifications:

Size: 6.6ft x 9.8ft

LED Color: WARM WHITE

LED Quantity: 300 LEDs

Waterproof Level: IP44

Voltage: 110V, Output: 29V safe low voltage (Includes UL plug-in transformer)

Leading Wire: 9.9 ft

Notes:

1. Please note that the transformer is IP 44 waterproof, so it can meet normal use outside but not enough to put under water directly, but the mode controller is NOT waterproof so that please keep it away from water.
2. White buckle is to fix the main power cord line, can not be cut, otherwise the string lights will be separated! Review 2021, feedback 2021, promo code, discount code 2021, buy, picture, description, sale, price comparison, cheap, cheapest, value for money.
